

CARBONIZED FIRED GLASS VASE, NO. 1

EXCLUSIVE TO NICOLEHOLLIS COLLECTION

RG STUDIO BY ROGAN GREGORY

ORIGIN

Los Angeles

DIMENSIONS

5" diameter x 5"H

FINISH

Ash

MATERIAL

Scavo glass

DESCRIPTION

Crafted using the Scavo technique, each RG Studio glass vase by Rogan Gregory features a carbonized surface that mimics centuries of weathering—bringing age, texture, and elemental beauty to a contemporary form. Available in two finishes and two shapes, each vessel is handmade and one of a kind.

CARE

To clean without disturbing the surface and texture, gently wipe away dust or dirt with a soft, clean cloth. Do not use harsh pressure or abrasive cleaners. If further cleaning is necessary, soak in warm (not hot) water with mild, biodegradable soap and air-dry without rubbing.
