

ENGLISH OAK TRAY, ROUND

PACHADESIGN

ORIGIN

England

FINISH

Black or Natural

MATERIAL

100% English Oak

DESCRIPTION

These decorative trays are made from sustainably sourced oak from English forests, oiled and burned by hand. Heat and friction create a burnished patina; a dramatically rugged finish that invokes the minimalist aesthetic of a tea service. Each piece of wood used by pachadesign is hand-selected; its cracks, markings, and grains placed thoughtfully to create a piece that is completely unique.

CARE

Dust with a soft, lint-free cloth, do not use polish. If needed, wipe with clean, warm water or a tiny amount of mild dish soap. Clean up spills quickly with a dry or damp soft lint-free cloth. Do not submerge your tray in water or put in a dishwasher. Always dry your tray thoroughly after cleaning.

We recommend that our products are not left in direct sunlight, too close to a heat source, or in damp environments, as this may cause the product to warp.

If you feel your tray needs to be re-oiled, this can be done with a small amount of eco hard wax oil. Contact us for assistance.
