

NICOLEHOLLIS

EYRIE BOWL

RG STUDIO BY ROGAN GREGORY

EXCLUSIVE TO NICOLEHOLLIS COLLECTION

ORIGIN Los Angeles	PRODUCTION Made to Order	DESCRIPTION Continuing Rogan Gregory's exploration of evolutionary motifs, this large-scale decorative vessel is made of polished stainless steel, undulating in a shape that references cellular biology and human anatomy. Gregory forgoes treatment or polish out of reverence for the natural properties of stainless steel.
DIMENSIONS 19"L x 12"W x 6"H	LEAD TIME 8 Weeks	CARE To maintain the finish of your stainless steel piece, gently wipe with a soft, clean cloth to remove fingerprints or smudges. For deeper cleaning, use a mild, non-abrasive cleaner and avoid harsh chemicals or abrasive pads that could scratch the surface. If restoring luster is desired, a fine polish formulated for stainless steel may be used sparingly.
