

GLASS & STEEL SCULPTURE NO. 2

LISA SACCO

EXCLUSIVE TO NICOLEHOLLIS COLLECTION

ORIGIN

New York

PRODUCTION

Edition of 5

DESCRIPTION

Created by Lisa Sacco at the renowned Corning Museum of Glass, this series mixes industrial objects with new forms. Mouth-blown glass with a mirrored finish creates an interplay with unfinished reclaimed steel I-beams, resulting in a bold statement of raw minerals. Limited edition, five available.

DIMENSIONS

7"L x 7"W x 9"H

CARE

Clean with a mild soap, warm water and a soft cloth.

FINISH

Sheer black

Glass object is removable from its base for dusting, cleaning, or transport.

MATERIAL

Steel, glass
