

TEA BLEND NO. 1 KAN

OGATA X NICOLEHOLLIS COLLECTION

EXCLUSIVE TO NICOLEHOLLIS COLLECTION

ORIGIN

Japan

DIMENSIONS

3.75"dia x 3.5"H

DESCRIPTION

A custom tea blend developed by OGATA in a custom collaboration with the NICOLEHOLLIS Collection. This calming decaffeinated herbal tea is named for the Japanese character "kan," which symbolizes calmness and nature, as if glimpsing a hidden garden between the slats of a wooden fence. Woody, herbaceous notes within the tea foster this sense of unhurried serenity and deep appreciation for nature. Comes with 8 tea bags and a compostable cup for brewing and drinking.

Tasting notes:

Ho wood: Woody, floral, calming

"Chinpi" citrus peel: Warm, herbaceous, aids digestion

Kuromoji leaves: Delicate sweetness and spice

To brew loose tea:

Combine 2 teaspoons (4g) of tea with approximately 150 mL of water. We recommend steeping in 90° - 100°C water for one minute.

DESCRIPTION

A custom tea blend developed by OGATA in a custom collaboration with the NICOLEHOLLIS Collection. This mild caffeinated black tea is earthy, reminiscent of green wood, dark forests, and warm contemplation during the quiet solitude of winter mornings. Comes with 8 tea bags and a compostable cup for brewing and drinking.

Tasting notes:

Black tea: Warm, malty
Burdock root: Earthy, woody, nutty
Kuromoji leaves: Delicate sweetness and spice
"Sannen" roasted tea: Toasty, smoky
"Ao-Shiso" leaves: Fresh, herbal, anise-like

To brew loose tea:

Combine 2 teaspoons (4g) of tea with approximately 150 mL of water. We recommend steeping in 90° - 100°C water for one minute.
