## RITUAL BOWL

NICOLEHOLLIS COLLECTION

EXCLUSIVE TO NICOLEHOLLIS COLLECTION

### ORIGIN

Italy

### DIMENSIONS

16" dia x 5" H

### MATERIAL

Nero Marquina

### DESCRIPTION

The Ritual Bowl in Nero Marquina marble is a study in tension and contrast: white calcite veining against velvety black, material of antique provenance against a modern silhouette. Nero Marquina is quarried in Spain's Basque Country, often including fossilized corals and shells. Turned from a single block of stone with a narrow tapered base, the bowl radiates a contemplative presence as both a functional and sculptural object.

### CARE

Clean with a soft, damp cloth and mild soap, avoiding abrasive or acidic cleansers (including lemon or vinegar), ammonia, or bleach. Wipe dry.

Although each piece has been sealed to preserve and enhance the natural stone, no stone is entirely stain proof. Wipe away substances like wine or coffee promptly, before they can be absorbed.
