MATERIAL

Ivory Onyx, Nero Marquina

DESCRIPTION

Inspired by ancient Egyptian vessels used to hold powdered kohl, our ritual jar maintains the aura of an object both ceremonial and intimate, used in daily life but made to last across time.

Each canister is formed from a unique piece of solid stone, retaining its one-of-a-kind veining and coloration. It is meant to be treasured as an object of function, beauty, and contemplation.

Available in two sizes and two materials.
