

NICOLEHOLLIS

ALABASTER BOWL, NO. 1

NICOLEHOLLIS COLLECTION

EXCLUSIVE TO NICOLEHOLLIS COLLECTION

ORIGIN

Italy

PRODUCTION

Editioned

DESCRIPTION

Contemporary yet ancient in presence, this shallow decorative bowl is hand-turned from a single block of Agata Scura alabaster, a rare and expressive brown stone from Volterra, Italy. It tapers down to a narrow base and rises up with a gently rolled rim, echoing classical sculpture and architectural precision. Due to the variations of color and veining inherent to each piece of stone, as well as the maker's unique touch, every piece will be unique.

DIMENSIONS

12"dia x 2.75"H

CARE

Alabaster is naturally porous and fragile. We recommend cleaning with a dry cloth. For deep cleaning, use acetone or mineral spirits on a cotton swab. Never wash with water or use detergents, alcohol, or corrosive substances

MATERIAL

Agata Scura Alabaster
