

STONEWARE POTS

SAMUEL SPARROW

EXCLUSIVE TO NICOLEHOLLIS COLLECTION

ORIGIN

Scotland

FINISH

Bone or Charcoal

MATERIAL

100% stoneware clay

DESCRIPTION

These stoneware coffee and teapots provide excellent heat retention, enabling sharing, conversation, and connection over these classic rituals. Incredible function meets a minimalist, presentation-worthy form by Scottish artist Samuel Sparrow. Available in two sizes and two finishes. While each pot does have a straining mechanism at the spout, we recommend using brewed coffee, bagged tea, or loose-leaf tea in a mesh strainer. Hand-thrown and glazed stoneware results in minor imperfections that are to be expected and celebrated.

CARE

While Sparrow's stoneware is dishwasher and microwave safe, hand washing is recommended to preserve longevity. To prevent discoloration, avoid contact with strongly staining foods/drinks. Handle with care.
