DESCRIPTION

With a subtle bend and curve, candlelight refracts off of this patinated brass wall sconce. Part of the david/nicolas textured brass series, it brings a modern aesthetic beyond the confines of tabletop, reinventing the theme for new spaces and contexts. Holds one 7/8" taper candle (9" shown).

CARE

To clean, rub with a soft, dry microfiber cloth. Use a small amount of neutral detergent or liquid dish soap if necessary, immediately drying afterward.

Please do not use steel wool, polishing cloths, cleansers with citrus extracts, or abrasive utensils that may cause corrosion.
