## WOVEN PLACEMAT, SET OF 4

BABA TREE BASKET COMPANY

<b>ORIGIN</b> Ghana	<b>DIMENSIONS</b> 15.5"dia	<b>DESCRIPTION</b> Basket makers from the Gurunsi tradition weave these placemats from native elephant grass, a tactile expression of artistry to bring color and texture to the modern table. Dyed with botanical pigments, the coils of the grass and the spiraling vortex pattern give them a hypnotic, geometric energy.
<b>FINISH</b> Black, Natural, Red, or Spiral		Sold in sets of four of the same color. Available in four colors.
<b>MATERIAL</b> Natural elephant grass		<b>CARE</b> Wipe clean using only a damp cloth. To avoid color fading, do not expose to direct sunlight for long periods of time. If the placemats become wet, dry thoroughly to prevent mold growth.
